Journal of East Asian Studies

Edited by Stephan Haggard

ASSOCIATE EDITORS: Yun-han Chu, Byung-Kook Kim,
Xiaobo Lu, Andrew MacIntyre, and Yoshihide Soeya

The Journal of East Asian Studies is redefining Asian studies!

Experts from around the globe come together in this important peer-reviewed forum to present compelling social science research on the entire East Asia region.

Topics covered include democratic governance, military security, political culture, economic cooperation, human rights, and environmental concerns. Thought-provoking book reviews enhance each issue.

“An essential journal for scholars in general and Asian policy experts in particular.” —O. Fiona Yap
